## PRICING POLICY CODE

Type of Service	Basis for Fee
1. <u>Public Good</u> - Service provides a broad community benefit. Inconceivable or impractical to charge for service on a user basis.	Zero Cost Recovery
2. <u>Practical Constraint</u> - Service is a minor part of the overall operation of Council, or the potential for revenue collection is so minor as to be outweighed by the costs of collection	Zero Cost Recovery
3. <u>Shared Benefits</u> - Benefits from the provision of the service accrue to the community as a whole as well as individual users (Community Service Obligation).	Partial Cost Recovery
4. <u>Stimulus</u> - A stimulus to the demand for the service is required. In the short term only part of the cost of the service is to be recovered.	Partial Cost Recovery
5. <u>Evasion</u> - Charging prices to recover full cost may result in widespread evasion.	Partial Cost Recovery
6. <u>Equity</u> - The service is targeted to low income users.	Partial Cost Recovery
7. <u>Economic</u> - Service promotes or encourages local economic activity.	Full Cost Recovery
8. <u>Private Good</u> - Service benefits particular users making a contribution to their individual income, welfare or profits without any broader benefits to the community.	Full Cost Recovery
9. <u>Monopoly</u> - Council has a monopoly over the provision of the service and there are no community service or equity obligations.	Full Cost Recovery
10. <u>Developmental</u> - Fee set will enable Council to develop and maintain a service	Full Cost Recovery
11. <u>Contribution</u> - Charges levied to compensate community for an increase in demand for service or facilities as a consequence of a development proposal.	Full Cost Recovery
12. <u>Regulatory - Non-Fixed</u> - Fee charged to cover cost incurred by legislative requirements where no community service obligation exists.	Full Cost Recovery
13. <u>Regulatory - Fixed</u> - Fee fixed by legislation.	Regulatory
14. <u>Market</u> - Service provided is in competition with that provided by another Council or agency (private or public) and there is pressure to set a price which will attract adequate usage of the service.	Reference Pricing
15. <u>In-House</u> - Service provided predominantly for Council use but sale to external markets will defray costs.	Reference Pricing
16. <u>Entrepreneurial</u> - The service is a profit making activity and the price paid by users. Pricing should recover an amount greater than the full cost of providing that service.	Rate of Return
17. <u>Penalty</u> - Fee charged is greater than the cost of the service so as to act as a Pricing dis-incentive	Rate of Return
18. <u>Annual Charges</u> - Sections 496, 501 or 502 of the Act	Regulatory
